Vote by correspondence

The Companies' Shareholders registered on the Reference Date in the Company's shareholders' registry held by the Central Depository S.A. have the opportunity to vote by correspondence by using the correspondence voting form made available by the Company to the shareholders, in both Romanian and in English language.

The Vote by correspondence may be cast by a conventional representative of the shareholder only in case the latter received a special/general power of attorney that is registered with the Company in accordance with art. 92 of Law no. 24/2017 or if the representative is a credit institution that provides custody services. If the person representing the shareholder by personal attendance at the Meeting differs from the one expressing the vote by correspondence, in such case, in order for the vote to be valid the former presents to the Meeting's secretary a written revocation of the vote by correspondence signed by the shareholder or by the representative that expressed the vote by correspondence. Such requirement is not necessary in case the shareholder or their legal representative are attending the Meeting personally.

In case of vote by correspondence, the voting ballots, completed in Romanian or English language and signed, together with a copy of the shareholder's identification document, may be registered as follows:
